14) The question of increasing the Duty allowance of Mr. Sundaram Mudaliar from Rs 50 to Rs 75 was considered by Government only four months ago and was not sanctioned. There do not appear to be any new reasons justifying a reconsideration of the order. The present rate of allowance, viz., Rs 50 cannot be regarded as low for an officer drawing a pay of Rs 200/- While sanctioning the higher rate of subvention to ~~the Land~~ the Land Mortgage

Bank, Government have stated that the Bank will economise as far as possible its working expenses. Increase of allowance is an item of an optional and avoidable character and should not be allowed.

15) There are some officers of the Revenue Department (Amildars and Deputy Amildars) who are detailed for duty under Local Bodies and none of them is drawing Conveyance or Duty allowance in excess of Rs 50/- Grant of an unduly large allowance in one case will create a very inconvenient precedent and will also cause discontentment. When Mr. Sundaram Mudaliar was transferred to the Bank his pay was Rs 150 and the Bank was required to pay Rs 150 plus 50 allowance. His pay in the Revenue department is now Rs 200/- So long as he is allowed to draw his grade pay in the Revenue department from time to time, further increase in allowance cannot be regarded as necessary.

16) The present Registrar of Co-operative Societies has not also recommended the increase of the allowance proposed.

17) For reasons stated above, the increase of the allowance is not absolutely necessary and not financially acceptable.

To

R.H. Krisnna Rao, Esq., M.A.,
Secretary to Government, Local Self Government Department
Bangalore.

Sir,

Adverting to G.O.No.D.2627-31/L.M.4-35-2 dated 22nd October 1935 sanctioning the appointment of Mr.A.Sundaram Mudaliar, Amildar, as Secretary of the Land-Mortgage Bank on his grade pay plus a duty allowance of Rs 50/- per mensem for a period of two years I have the honor to state that he joined duty in the Bank on 14th December 1935 and the period of two years for which his services were lent will expire on 13th December 1937. In accordance with the resolution (copy enclosed) passed by the Board of Directors of the Land-mortgage Bank in their meeting held on 5th September 1937 the President of the Bank has in his letter No.S.I.115 dated 13-9-37 (copy enclosed) requested the continuance of Mr.A.Sundaram Mudaliar, for reasons stated in his letter, for a further period of one year on his grade pay plus a duty allowance of Rs 75/-.

The Revenue Commissioner who was present at the meeting of the Board of Directors referred to above could not subscribe to the proposition that Mr.Sundaram Mudaliar's services should be retained for the Bank for another year and was of opinion that he should revert to the Revenue Department on the expiry of the present term, as otherwise he might lose touch with the Revenue Department. There have been many changes in the working of the Revenue Department for the last two years and Mr.Sundaram Mudaliar has lost touch with the developments that have taken place there. I entirely agree with the opinion of the Revenue Commissioner recorded in the resolution herein enclosed.

One of the arguments that the President has used for the retention of the services of Mr.Sundaram Mudaliar is that it would take about a year for any new person appointed to that post to acquaint himself with the details of the working of the Land-Mortgage Bank, specially in respect of the work connected with the scrutiny of loan applications. I should think that it is quite possible for an intelligent Amildar to pick up this work in a couple of months.

It is necessary however that the President who has at present been bestowing so much personal attention to the affairs of this Institution should be given the assistance of a Secretary in whom he has got confidence and on whom he feels he can rely for affording some relief to himself; and therefore in deference to his wishes I recommend that the services of Mr.Sundaram Mudaliar be continued for another year.

Dcf No 2-37
Flap H

As regards the enhancement of the duty allowance of Mr. Sundaram Mudaliar from Rs 50 to Rs 75 Government have in their Order No.D.8922/L.M.20-36-2 dated 30-6-1937 directed that the proposal does not commend itself to them and I am not in favour of recommending a reconsideration of the said orders.

In putting forward the satisfactory work done by Mr. Sundaram Mudaliar for the grant of an enhanced allowance to him the President has referred to the good collections made by the Bank during the year and has stated that the chief credit for this should go to Mr.Sundaram Mudaliar. In justice to this Department and the Revenue Department I must say that a good portion of the credit should go to them since a fairly large amount of recoveries was effected by the issue of timely crop distraint orders from this office and their prompt execution by the Revenue Department.

I have the honor to be,
Sir,
Your most obedient servant,

Registrar.

10. Subject:- Question of applying to Government for a further loan of the services of Mr. A. Sundaram Mudaliar, whose term of office as Secretary of the Bank will expire in November next:-

The President said that Mr. Sundaram Mudaliar's appointment as Secretary of the Bank was sanctioned for a period of two years, that the period would expire in November next and he proposed that the Bank might apply to Government for the loan of his services for a further period of two years. In this connection, the President also brought to the notice of the Board that in October last, the Board passed a resolution that his Duty Allowance might be raised from Rs. 50/- to Rs. 75/- and that Government had not sanctioned the same, and that now, in view of the very good work that he had continued to do, the Board might reiterate the recommendation to Government for the increase of his Allowance.

The Revenue Commissioner said that he would not be a party to the resolution to apply to Government for a further loan of Mr. Sundaram Mudaliar's services, as, in view of the paucity of good and competent Amildars and the frequent applications received for their services from other Departments, and also of the fact that if Mr. Sundaram Mudaliar were made to continue longer in the Bank, he might lose touch with the Revenue Department which would affect his future advancement, he was of opinion that Mr. Sundaram Mudaliar - should revert to the Revenue Department on the expiry of the present term of his appointment.

The President said that though he quite realised the difficulties expressed by the Revenue Commissioner, he wished to bring to notice that it would take a new officer at least a year to get into full touch with the working of the Bank, that it will be most unfortunate for the Bank if Mr. Sundaram Mudaliar were to be sent away from the Bank just when he had acquired a thorough knowledge and experience of its working, and was becoming most useful to the Bank, and that if he could not be spared by Government for two years more,

more, he would like him to be kept on in the Bank for at least a year more.

Mr. K. Subba Rao, President of the Tumkur Land Mortgage Society, and Mr. S. Narayan Rau, enquired why a non-official Secretary should not be appointed. The President said that one of the conditions stipulated by Government for sanctioning the grant required by the Bank for lowering its rates of interest was that it should have a Government Officer as its Secretary, and that further, for the reason already mentioned by him, it was not desirable in the interests of the Bank to change the Secretary now.

After some more discussion on the subject, it was resolved that an application be made to Government for the grant of the loan of the services of Mr. A. Sundaram Mudaliar, for a further period of one year and that his Duty Allowance be raised to Rs. 75/- as had been previously recommended by the Board.

PRESIDENT,
Mysore Central Co-operative Land Mortgage Bank Ltd.

T.V.L./13.9.37.

Letter No.S.I.115 dated 3rd September 1937 from the President, The Mysore Central Co-operative Land Mortgage Bank,Ltd.,Bangalore, to the Registrar of Co-operative Societies in Mysore, Bangalore.

==========

With reference to Government Order No.D.2627-31/L.M.4-35-2 dated the 22nd October 1935 sanctioning the appointment of Mr.A.Sundaram Mudaliar as Secretary of this Bank on his grade pay plus a duty allowance of Rs.50/- per mensem, I have the honour to state that as Mr.Sundaram Mudaliar joined this Bank as Secretary, on 14th December 1935, the period of two years for which his services were lent to the Bank will expire on 13-12-1937. The question of the future arrangement for the Secretaryship of the Bank after the expiry of the above-mentioned date was considered by the Board of Directors of the Bank at their meeting held on 5th September 1937, and it was resolved that the Government be requested to sanction the extension of the term of appointment of Mr.Sundaram Mudaliar as Secretary of the Bank for a period of one year. A copy of the Board's Resolution is herewith enclosed. As observed by me in the course of the discussion of the subject at the Board meeting, the nature of the Bank's business and work is such that it will take about a year for a new Secretary to get into touch with them; and it is only during the past one year that Mr.Sundaram Mudaliar has got into the full swing of his work and been able to do full justice to his duties as Secretary. It will indeed be unfortune, not only for the Bank but also for the successful working of the Land Mortgage Scheme in general, if he were to be taken away from this work now when he has come most useful and serviceable, and replaced by another person who will have to begin acquainting himself with the special features of the Bank and its working. In the interests of the Bank and of the success of the Land Mortgage Scheme, I do not think it desirable to change the Secretary in less than three years, unless it is found necessary to do so by reason of the incumbent of the place not giving satisfaction in his work or for other unavoidable grounds.

2. While desiring the continuance of Mr.Sundaram Mudaliar as

as Secretary of the Bank for a further period of one year, I wish to urge that this should not be allowed to stand in any manner in the way of his future advancement but that, on the other hand, his good work in the Bank should be taken into consideration, in deciding about his claims for promotion. I may also be permitted to observe that, in my opinion, Mr.Sundaram Mudaliar, by being kept on in the Bank for a period of three years, is not likely to lose touch with the Revenue Department to such an extent as to make him any the less fit for an Assistant Commissioner's place, but that, on the other hand, his experience in the Bank in dealing with the problem of agricultural indebtedness is likely to be very useful to him as an Assistant Commissioner responsible for the welfare of the ryots in his charge. In the above circumstances, I request that you will be so good as to obtain the sanction of Government for the extension of the term of Mr.Sundaram Mudaliar's appointment as Secretary of the Bank for a further period of about one year up to end of December 1938 - on the understanding that his claims to promotion as Assistant Commissioner or otherwise will not be in any way prejudiced by such extension.

3. With regard to the duty allowance payable to Mr.Sundaram Mudaliar, I had, in my letter No.S.I.176 dated 15th October 1936 to you, submitted a recommendation supported by a resolution of the Board of Directors for increasing it from Rs.50/- to Rs.75/-, but I was informed in your Memo dated 6-7-1937 that the proposal did not commend itself to Government. In this connection, I enclose herewith a copy of the audited balance sheet and profit and loss statement of the Bank for the year 1936-37. It will be seen therefrom that the result of the working of the Bank during the year has been very satisfactory, showing a net profit of about Rs.8,000 and this was due to the good collections, the credit for which should go chiefly to Mr.Sundaram Mudaliar and to the visits to the several societies that he made and the prompt and energetci action taken by him in the recovery of the instalments due from the indebted members. In appreciation of his very good work, the Board

Board have again resolved to recommend him for an increase of duty allowance. I therefore request that you will submit the matter - again to Government and obtain their sanction for the payment of enhanced duty allowance at Rs.75/- per mensem to him with effect from the date of my previous recommendation in this respect (15th October 1936), or at least from 1st July last.
